

Holiday Activities and Food Programme Winter 2021

Children and young people who receive free school meals can take part in our free holiday activities and food programme over the winter holidays.

The sessions will include a variety of activities, such as art, sport and music and a healthy meal will be provided each day your child attends. Details of providers offering the programme in Leicester City are listed below.

Places are limited and will be allocated on a first come first served basis following confirmation of free school meal eligibility. Only one placement per child can be offered.

To view the programme information, criteria and how to register for a place visit:
